

**Contracts,
Procurement and
Public-Private Agreements**

This conference focuses on the recent developments in contract theories. The conference will bring together academics, policymakers and practitioners to discuss issues such as:

- Relational contracting,
- Transaction costs,
- Renegotiations,
- Incentives,
- Attribution mechanisms,
- Incomplete contracting,
- Contract design,
- Benchmarking

-Keynote speakers

Antonio ESTACHE, Univ. Libre de Bruxelles

David MARTIMORT, Paris School of Economics
